

BRUSH DIVERSION PROGRAM

EFFECTIVE MARCH 5

The City of Grapevine and Republic Services will begin a new program to divert clean brush and yard waste from the landfills and increase recycling.

Wednesday service is the **ONLY** service day that will change. Beginning Wednesday, March 5, an alternating schedule will begin as follows:

- First and third Wednesdays of each month - Clean brush & yard waste only
- Second, fourth (and fifth if applicable) Wednesdays of each month - Normal bulk & brush for landfill

See calendar on reverse for the 2014 schedule.

Clean Brush & Yard Waste Wednesdays:

Bulk service will not be provided on clean brush and yard waste Wednesdays. Tree limbs, brush, leaves and grass clippings in approved containers will be collected on brush only Wednesdays. Grass clippings and leaves must be containerized in mulch bags (paper), or reusable plastic containers not to exceed 33 gallons or 50 lbs. in weight. Plastic garbage bags with grass clippings or leaves will not be accepted on brush only days.

Bulk/Brush Wednesdays:

Bulk items include items weighing over 50 lbs., large piles of brush, yard waste, furniture, mattresses, fence pickets, toilets, stoves, dishwashers, water tanks, lawn furniture and exercise equipment. These items will be collected on bulk/brush Wednesdays. Clean brush and yard waste, such as tree limbs, brush, leaves and grass clippings will also be accepted on bulk Wednesdays.
